Subject: - Prescribing the book of DAV Publication Division from LKG to Std. VIII for session 2026-27

Sir

With reference to your letter no. शिक्षा/फ़ीस.विनि.अधिनि./2025-26/320 dated 14/01/2026

It is submitted that DAV Public / Model Schools distribute the text books to students of classes LKG to VIII as conceptualized by DAV Centre for Academic Excellence (DAV CAE) and published by DAV College Managing Committee (DAV CMC) through DAV Publication Division. The school sends their requirement of text books around four months in advance so that the same can be sent to each school before commencement of academic session each year.

It is pertinent to mention here that DAV College Managing Committee (DAV CMC) is the largest NGO in the field of Education. It is more than 139 years old and manages 950 education institutions including 700 Public Schools. Our institutions are known for imparting quality education including vedic wisdom.

In order to maintain the standard of education being imparted in our institutions and bring innovation and adopt latest teaching techniques in Education, the DAV CMC has opened DAV Centre for Academic Excellence (DAV CAE). **The DAV CAE has been entrusted with the responsibility to develop text books strictly as per minimum level of learning and curriculum guidelines prescribed by the National Council of Educational Research and Training (NCERT).** It also undertakes training programmes & refresher courses in methodology of teaching and evaluation processes to prepare Result Analysis, marking difficulties and grey areas to train master-trainers on various subjects etc. It will not be out of place to mention here that the DAV CAE was also empanelled for training teachers by the CBSE.

**The DAV CAE while developing a text book for a particular class keeps in mind the difficulty level i.e. books are graded as per the mental & chronological age of students.** All the text books are activity oriented where a lot of stress is given on hands on approach. The difficulty level of question moves up in a gradual manner from simple to complex so that learner is able to understand a concept in totality instead of encouraging rote learning.

The price for these text books has been kept very low compared to other books available in the market so that students belonging to lower strata of society do not find any difficulty in purchasing the same.

Also we declare that there is no objectionable content that hurts the feeling of any class, community, gender or any religious group in society and the content /supplementary is completely align with the NCF-FS and NCF-SE.
